

# DIGITAL MARKETING

Digital Marketing is a science & we at Tech9logy Creators dip into it with a bagful of tricks. We empower businesses with out-of-the-box ideas & sustainable digital marketing strategies to make your business stand out of the crowd & improve ROI.

## ABOUT US |

Established in 2014, **Tech9logy Creators** is an India-based Software Development & IT Consulting Firm. As an industry leader, the company cherishes all the challenges that come in its way and stands firm upon the pillars of creativity & innovation to get through.

In a short span of 6 years, the compelling service & disciplined delivery in the field of Web App Development, Mobile App Development and Cloud App Development, have paved the way for tremendous growth.

Tech9logy Creators has a global reach with clients from countries like the US, the UK, Australia, New Zealand, Canada and India. The company holds expertise in providing tailor-made services for companies & organizations of all sizes including Fortune 500 clients.

The company has helped multiple businesses to realize their full potential. Your informed decision to partner with Tech9logy Creators could well be a game-changer for your organization too.

# SERVICES WE PROVIDE |

## SEO

Our experts increase your brand visibility online by improving on-page & off-page activities. We help boost traffic & conversion rate with quality content.

## SMM & SMO

We help brands market products/services on social media platforms, manage social media activities & streamline their website using SMM & SMO effectively.

## Content Marketing

Content plays a key role in online marketing. We create informative yet trendy content to gain the audience's trust & facilitate positive purchase decisions.

## Mobile Marketing

A majority of people globally use smartphones. Does your business too? We help you tap this gold reserve with expert strategies like mobile app, SMS, social media marketing etc.

## PPC (Pay-Per-Click)

We are experts in creating highly-targeted PPC strategies. We identify the right platform (Google, Bing etc.) to trigger effective adword campaigns for the audience.

## Email Marketing

Our experts develop goal-focused email flows so that you can stay at the top of your customer's mind. We also specialize in designing event-specific email campaigns.

## Video Marketing

With several videos available on popular platforms like Facebook & Youtube, we make yours stand out of the crowd with engaging & powerful designs.

## CRO

Using engaging Calls to Action backed by thoughtful placement, Ad Campaigns and various other tricks, our experts aim to boost your CRO in a cost-effective yet impactful manner.

Chemtrade Asia, The Leading Industrial Chemical Trader and Supplier

About Chemtrade Asia

Tradeasia International Pte. Ltd. is a privately owned, independent global trading organization headquartered in Singapore. We are an industrial chemical products supplier and trader providing integrated chemical procurement services with certainty and trust, which makes Tradeasia unique. Commodity manufacturers are in need of raw materials for the production of industrial chemicals and it is usually not available in the same region.

What Makes Chemtrade Asia the Best Chemical Supplier?

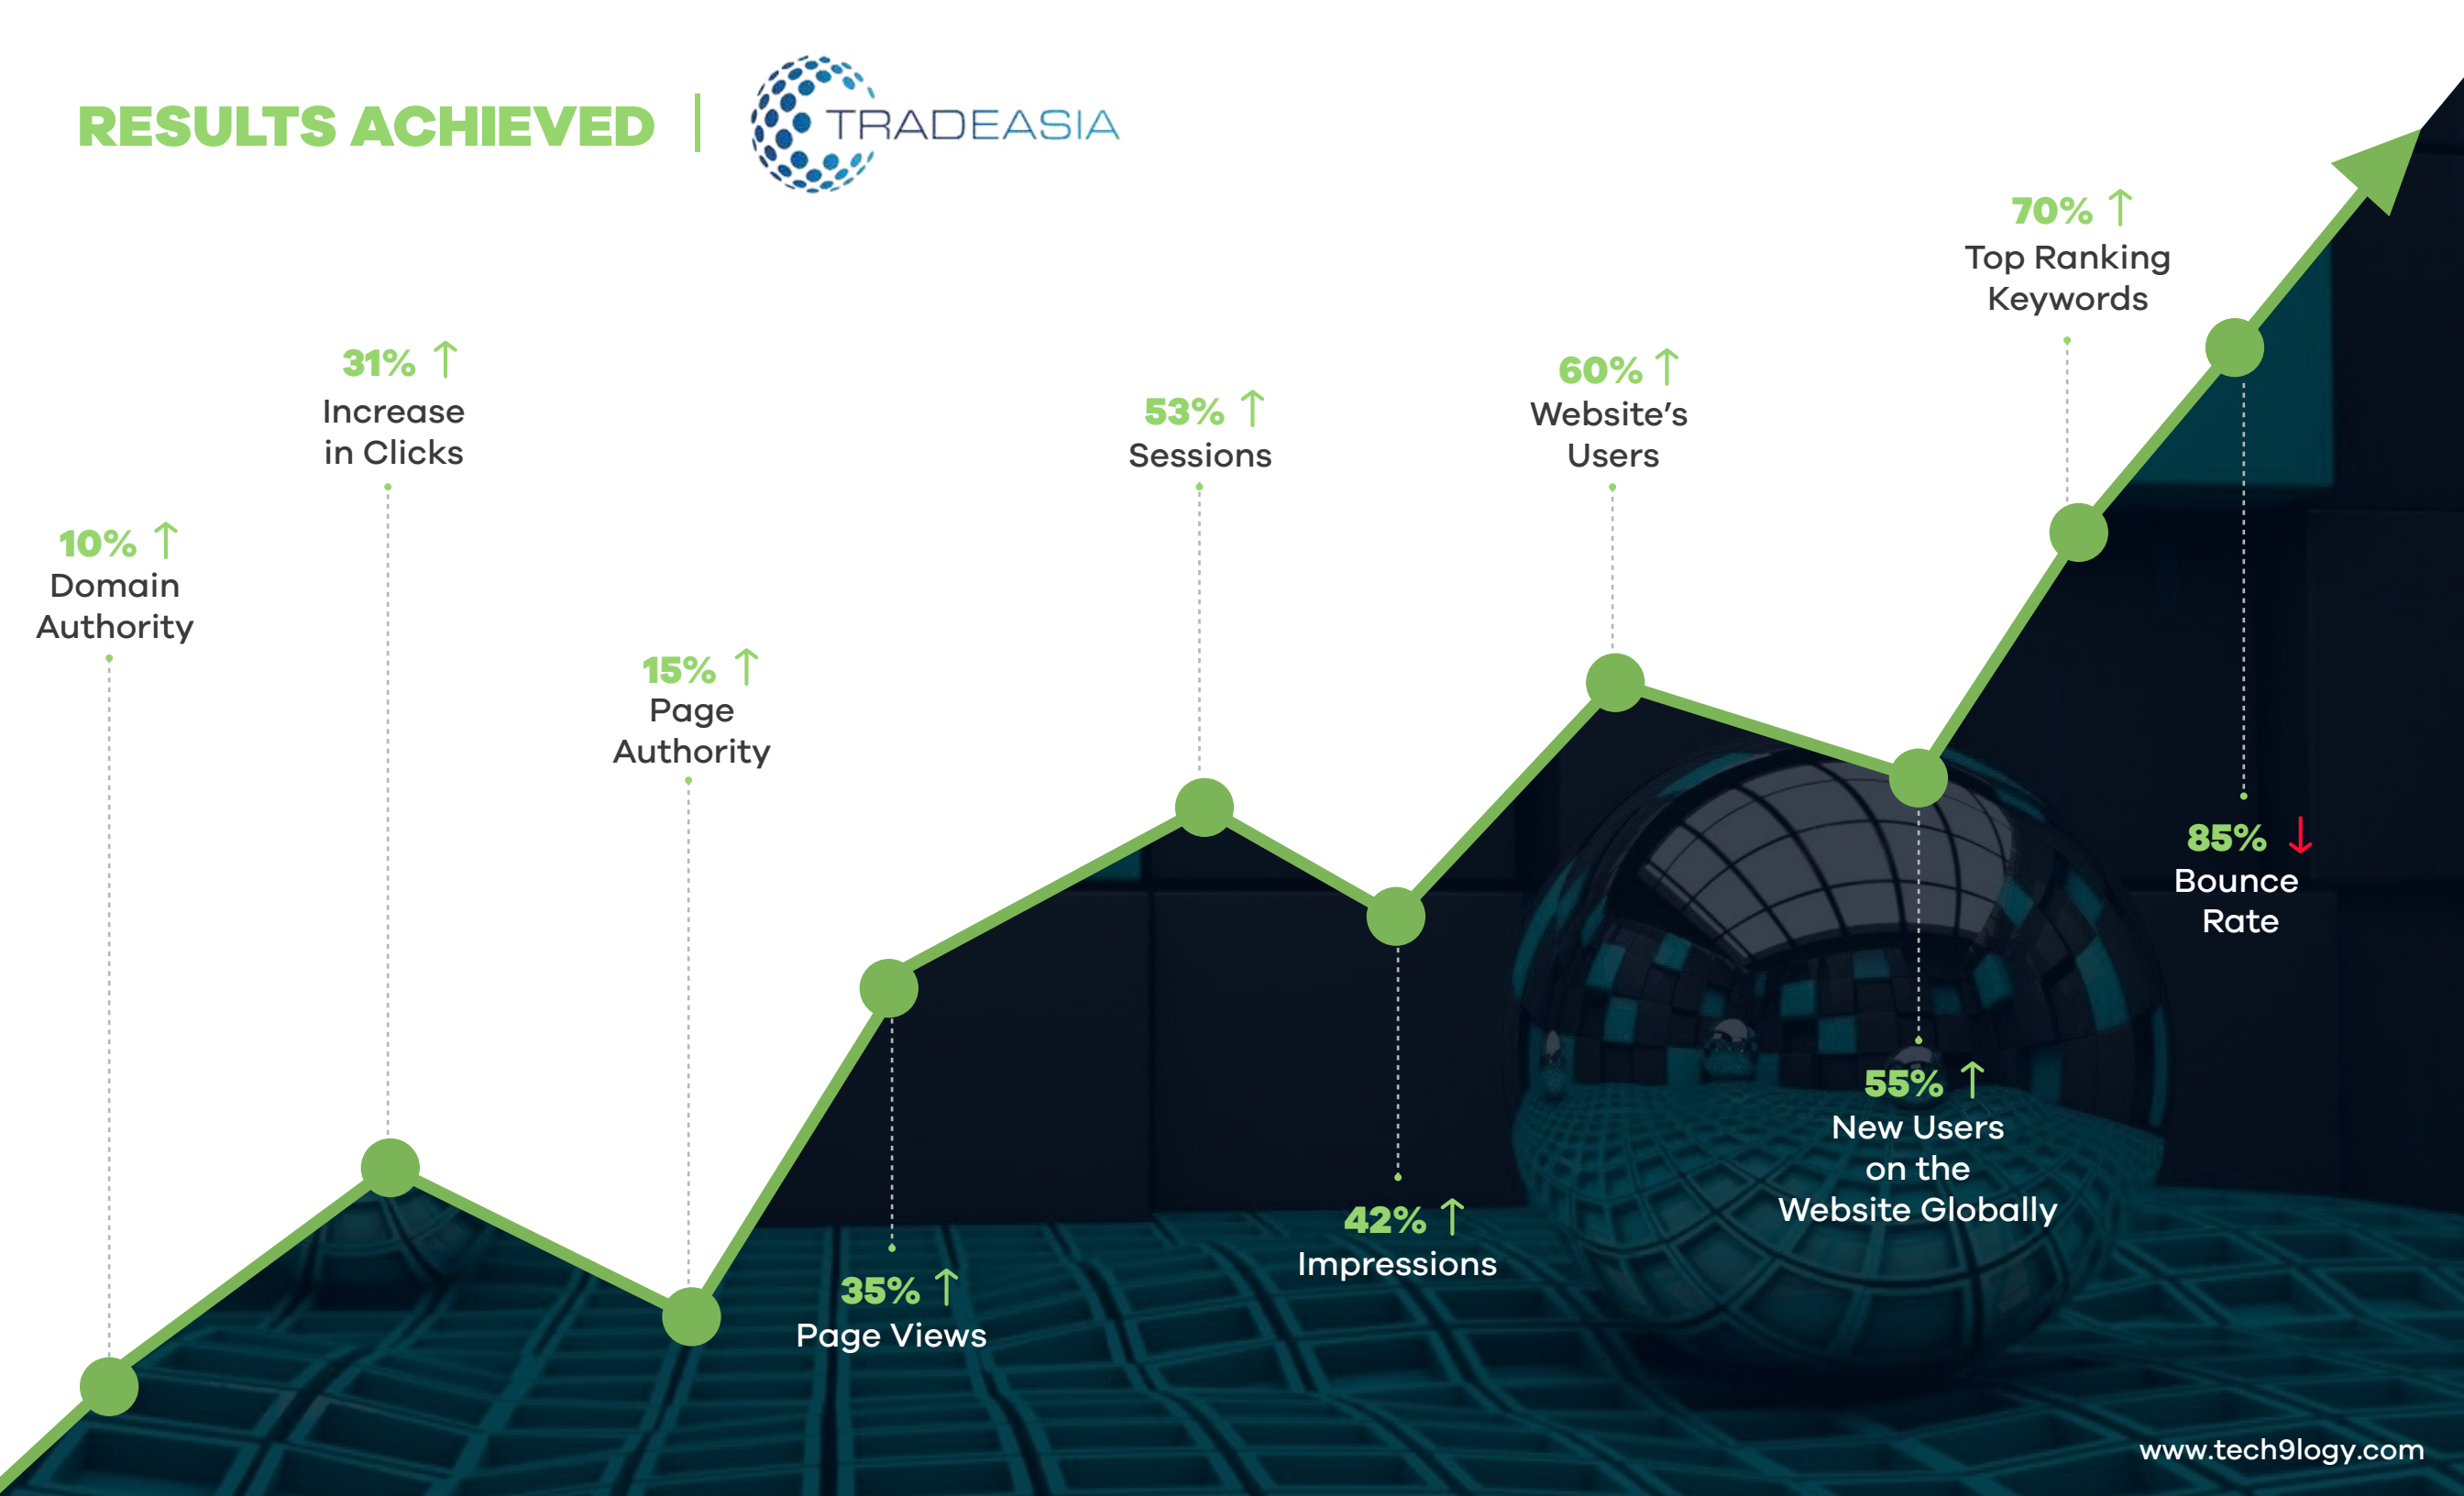

Chemtrade Asia was set up with the sole intention of carrying out industrial grade chemical distribution services especially to commodity industries in many parts of the world. Tradeasia International represents a growing number of businesses in Asia, as indicated by headquarters and representative office locations at more than 8 countries such as Singapore, India, Indonesia, China, Vietnam, UAE, Sri Lanka, Myanmar. We are serving and marketing 500 chemical products. We source and supply industrial grade chemicals to more than 400 customers worldwide.

Tradeasia's Specialty:

- Broad product portfolio
- Minimum order quantity one 20' FCL
- Systematization of trading and shipping process
- Extensive digital presence
- A network of local offices
- An interface in customer's own language
